

Currently our drop down menu is not compatible with Internet Explorer 8. We are currently in development to fix this issue. In the meantime please follow the below steps to ensure our drop down menus will function correctly and you are able to access the necessary parts of our website.

Step 1: Open up Internet Explorer 8

Step 2: Click on **Tools**

Step 3: Click on **Developer Tools (F12)**

Step 4: Click on **Browser Mode** and select either **Internet Explorer 7** or **Internet Explorer 8 Compatibility View**
